

Mark Turnbull

Independent Financial Adviser

Having had a diverse career prior to entering the financial services industry Mark decided that he wanted to build a long term and rewarding career in this arena. Having built a sound knowledge and expertise in the Investment market place, Mark came to the conclusion that to really deliver quality and unbiased advice for clients, becoming an Independent Financial Advisor was the only route for him

About Mark: started his career as a Semi Professional Cricketer and spent some time overseas with the Foreign Office before training and qualifying with an International Investment company.

He is 37 years old, married with one Son and lives in Dorking. He enjoys playing Cricket, Rugby, Golf and Fly Fishing

Testimonial

“Mark really took time to understand our needs, identifying the areas in which he could add value, implementing his recommendations in a way which was clear and concise”. “A really positive experience”
